

### DESCRIPTION

The Fire truck set is a real attraction for all children who dream of a firefighter's career. On the sides of the car a emergency number was engraved, which will help the children remember it. The set contains 12 square platforms, stainless steel slide, arched entrance, climbing wall with a hole, rope entrance and 4 short handrails. It is intended for a group of 28 users, so it is perfect for kindergartens and playgrounds.

### INFORMATION

|                          |                 |
|--------------------------|-----------------|
| Number of users          | 28              |
| Age range                | 3 - 14          |
| Device dimensions [m]    | 7.2 x 2.4 x 3.8 |
| Compliance with the norm | EN 1176         |
| Spare parts              |                 |

### SAFETY SURFACE

| Zone | Max height of fall [m] | Area [m <sup>2</sup> ] | Perimeter of safety zone [m] |
|------|------------------------|------------------------|------------------------------|
| A    | 1.2                    | 52                     | 30                           |
| B    |                        |                        |                              |
| C    |                        |                        |                              |
