

DESCRIPTION

The Quadro 12320 set was created for the youngest users of playgrounds. A short tunnel bridge is a real challenge for kids. His defeat requires good coordination and cunning. Security with a game of tic-tac-toe, numerous manipulations: bear, abacus, hypnotist are attractions that will encourage children to play, and at the same time a great opportunity to practice small motor skills, visual and motor coordination and logical thinking. Fun on playgrounds makes children become stronger, more efficient and manage their challenges better. It is also an excellent outlet for children's energy.
