

DESCRIPTION

Timeless, the most interesting and the most popular collection from the NOVUM playgrounds offer. The 1909-A set is intended for younger playground users, 3-year-olds and slightly older children. Stairs secured with a balustrade ensure safe use. The slide, climbing walls, climbing ladder are obstacles adapted to the skills and abilities of children. They require effort from them, but overcoming them is possible for them, although it requires strength, efficiency and good coordination. Playing in the playground is an opportunity to test your abilities and limitations, and at the same time a great opportunity to make new friends.
