

### DESCRIPTION

This unique playhouse combines functionality, aesthetics, and inspiration for creative outdoor activities. It features a charming terrace that provides extra space for play, relaxation, and meeting friends. The terrace can be decorated with flower pots, string lights, or other ornaments, allowing children to create their unique spaces. Made of impregnated wood, it ensures durability and weather resistance. You can purchase matching furniture, such as a table and stools, to complete the set and increase the space's functionality. Construction: pine wood boards with a thickness of 2.0 and 2.5 cm, vacuum impregnated; Anchoring: freestanding products and those anchored directly in the ground using a steel anchor.
