

DESCRIPTION

Terra vegetable garden beds are an excellent solution for young gardeners. Once filled with the appropriate soil and compost, they provide a wonderful space for learning to plant vegetables, herbs, and other plants. The garden beds are available in two sizes, allowing for customization to different needs and spaces. They enable children to develop creativity in designing their mini garden and teach responsibility for plant care, providing space for outdoor learning and play, which fosters the growth of their passion. Made from durable, impregnated wood, they are resistant to weather conditions and long-lasting. Construction: pine wood boards with a thickness of 2.0 and 2.5 cm, vacuum impregnated.
