

DESCRIPTION

The Garden Domino XXL game is a fantastic way to bring the classic domino game to outdoor spaces, providing entertainment for both children and adults. The domino pieces are made from high-quality HDPE polyethylene board, which is resistant to weather conditions and mechanical damage. This material is ideal for outdoor use due to its durability and ease of cleaning. Domino is a game that supports mathematical development and logical thinking. Participants learn to recognize patterns, count, and develop strategies, making this game both fun and educational. The large size of the game pieces encourages group play, supporting the development of social skills such as communication, cooperation, and healthy competition. ...
