

DESCRIPTION

The Retro 102 Set is a perfect blend of traditional design and modern functionalities. The structure consists of a solid wooden platform equipped with a ladder and a rope climbing wall, enabling safe climbing. The slide, made from recycled HDPE sheet derived from fishing nets, ensures safe play. The natural wood used in the set seamlessly blends with the environment, and modern conservation methods guarantee its durability and resistance to weather conditions. Thanks to its solid construction and top-quality materials, the Retro 102 Set provides a safe place for play. The Retro 102 Set harmoniously fits into any setting, creating an aesthetic, durable, and functional play area that also teaches children resp...
