

DESCRIPTION

The Retro Set 304 is the perfect combination of classic design with modern functions. It consists of three platforms that provide various play opportunities. High lookout towers with roofs offer wonderful views. The climbing wall, equipped with colorful stones, develops motor skills, while sturdy stairs and ramps ensure easy and safe access. The Retro Set 304 blends perfectly with any environment, creating an aesthetic and functional play area that teaches children respect for nature. Construction: load-bearing posts made from knot-free pine wood, 90x90 mm; Platforms: boards made from 2.5 cm thick hard alder wood; Safety features: pine boards, 2.5 cm thick; Slides: sliding surfaces made from stainless ...
